TAKING CONTROL

Healthcare Environment Optimization integrates a hospital's building automation system (BAS) with surgery scheduling to optimize air-exchange rates and energy use. The software translates and routes data from surgery scheduling to the BAS and determines whether to use surgery or setback mode.

BREATHE EASY
Optimum 4000 odor-control system is a compact, electric appliance that eliminates odors in areas up to 20,000 cubic feet. The system uses cartridges with breathable membranes containing blends of natural, essential oils to diffuse a safe, nontoxic dry vapor into the air. The dry vapor penetrates all porous surfaces.

FAMILY OF COMPANIES

STYLISH PATTERN Mystix Casablanca is a luxury vinyl tile design that is part of the Spice City series of the Natural Creations collection. The flooring was inspired by the iconic designs of Moroccan architecture and features a durable, abrasion-resistant wear layer with UV-cured polyurethane coating. It also offers low-VOC emissions. **Armstrong • www.armstrong.com**

LASTING IMPRESSION Mipolam Symbioz is a homogenous sheet vinyl flooring suited for heavy foot traffic. It contains more than 75 percent renewable raw materials with a plasticizer made from grain residues. The flooring features a micro-structured, cross-coat polymer surface that protects against scratches, stains and chemicals. **Gerflor • www.gerflorusa.com**

CUSHIONED FOR SAFETY This flooring system can help reduce fall-related injuries through the use of SmartCells cushioning technology from Satech Inc. The carpet tiles also incorporate Intersept, a preservative that protects against mold, odor, bacteria and other harmful microorganisms. Glue is not required for installation. **InterfaceFLOR • www.interfaceflor.com**

DURABLE DESIGN Melodia homogenous vinyl flooring products feature a polyurethane-reinforced wear layer that makes them durable and useful for areas with heavy foot traffic. The subtle nondirectional design makes the flooring easy to incorporate in complex design patterns. It is available in more than 40 colors. **Johnsonite • www.johnsonite.com**
